This Waste Maid disposer is warranted to be free from manufacturing defects in workmanship and materials for the full warranty period from the date of original purchase.

If a problem does arise, we would initially suggest that reference is made towards the Trouble Shooting Section in the Owners Guide or alternatively (for more comprehensive checks) in the 'Trouble Shooting Section' on the Web Site: www.wastemaid.co.uk

If the problem is not resolved – then please enter your details on the 'Report A Fault Page' again on the Web Site: www.wastemaid.co.uk

Please include the Model Number, Serial Number (that can be found on the serial plate of your disposer) and Purchase Date (Proof of Purchase will be required).

During the warranty period a defective or inoperative disposer will be replaced subject to the additional terms and conditions outlined below. **Installation costs will be the responsibility of the homeowner.**

If Bahn International (wastemaid.co.uk) determines that the disposer should be replaced, the warranty on the replacement will be limited to the unexpired term of the warranty on the original disposer.

These warranties are for the products purchased and retained in the United Kingdom (excludes all offshore islands).

WARRANTIES APPLY TO NORMAL PRIVATE HOUSEHOLD USE ONLY AND DO NOT COVER ANY COMMERCIAL ESTABLISHMENTS OR FOR ANY BUSINESS OR COMMERCIAL USAGE.

The Warranty provided does not cover the following:

Non-operation due to jamming.

Accident, abuse or failure to follow Manufacturers operating instructions.

Incorrect installation or alteration.

Leaks and blockages.

Fuses, Sink-Stopper and Splash Guards.

Electricity supply failure.

LIFETIME CORROSION GUARANTEE: Any Waste Maid disposer that fails to operate because of any corrosion in the grind chamber will be replaced free of charge (labour excluded) to the original purchaser (proof of purchase required).
